RESIDENTIAL COMPLEX, NEW MILL QUARTER, LONDON

Property for Sale in New Mill Quarter

New development projects in New Mill Quarter include several apartment buildings from 4 to 6 floors. This project is being developed by the Barratt London development company. The residential complex is located in southwest London. The neighborhood has a direct rail connection to the city center and the key transport hub of London Victoria. The latter can be reached in less than 30 minutes from Hackbridge Station, located a 5-minute walk from the complex.

Within walking distance of the community, there are several schools, a church, pubs, cafés, and gourmet restaurants, as well as a large wildlife park, Hackbridge Community Orchard, which features numerous reservoirs.

Residents of New Mill Quarter, a new property in Wallington, London, England, will have access to car parking and free membership in the Zipcar Club.

Apartments in New Mill Quarter

Real estate in New Mill Quarter includes 440 apartments with 1-3 bedrooms, ranging from 61.80 m2 to 137.40 m2.

All properties will have an ergonomic layout with spacious living and dining areas, minimalist decoration in bright colors, and large windows with plenty of daylight, as well as balconies or terraces. The apartments will be provided with ultra-high-speed broadband Internet access.

Flats in development projects in New Mill Quarter are being built with modern energy-saving technologies that will allow future owners to reduce utility costs. Residents of the complex can save up to 611 GBP (\$674) on electricity bills every year (compared to old buildings).

Key Features of the Residential Complex

The following amenities will be available to residents of properties for sale in off-plan projects in the New Mill Quarter:

- a picturesque indoor garden with landscaping and a well-manicured recreation area;
- children's playgrounds;
- a fitness room;
- a Lidl supermarket chain.

There will be commercial premises and cafés. The residential complex is expected to be completed in December 2023. The Hackbridge Railway Station is a 5-minute drive from the residential complex and provides quick access to other parts of London.

Lifestyle

Off-plan apartments in New Mill Quarter are a great option for those who want to buy a property in London profitably. Here, you will find a comfortable lifestyle around numerous parks and reservoirs, with easy access to the city's social infrastructure.

Residents can spend time walking and jogging, doing sports, and cycling in the nearby Beddington Park, with an area of about 579,000 m2. There are routes for cycling and jogging in picturesque locations near the community. There are also cricket clubs, a golf course, and many other amenities for sports and recreation. Shoppers will appreciate popular supermarkets and large shopping centers. Families with children can choose a suitable educational institution from the numerous schools and kindergartens in the developed area of Wallington.

Investments

The residential complex is under construction, so investors have an excellent opportunity to buy apartments in a new building in New Mill Quarter in London at the developer's price. This makes it possible to purchase high-quality properties in New Mill Quarter for investment at the most attractive price.

Since the community is located in a prestigious area and has good transport links, off-plan flats for sale in new projects in New Mill Quarter will be in great demand among tenants.
