From humble beginnings, Third.i has spent almost 20 years perfecting their vision of becoming a global leader in property development and investment.

Internationally recognised for their award winning projects, Third.i is passionate about collaborating with the world's leading architects, designers and place makers to create legacy projects for future generations to benefit from.

Regardless if it's a luxury residential precinct, high rise commercial tower or a purpose built home for a person living with a disability, Third.i is committed to making the world a better place to live, work and play in.
